*The latest installment in Jake Biondi's BOYSTOWN series
already has five-star rating on Amazon*

“Perhaps the best book in the series.”

“Your wait is over,” BOYSTOWN creator Jake Biondi told fans of his series. “It’s been ten months since the release of Season Eight and I think you’ll find Season Nine to be worth the wait.”

BOYSTOWN Season Nine was officially released on December 14, ten months to the day after the debut of the previous installment. “Season

Eight was appropriately released on Valentine's Day. The ninth book is a very special one and a Christmastime release seemed appropriate," Biondi told BOYSTOWN readers. "The events of the ninth book take place during the holiday season, so the timing is perfect."

"I decided to mix things up a bit in Season Nine," Biondi explained. "While the twists and turns that fans have come to expect from the series are absolutely present, the ninth book employs some different story-telling techniques and explores some of the characters' relationships in a deeper way. And the ending? Well, it will blow readers away!"

Advance reviews of BOYSTOWN Season Nine on Amazon.com give the new book a five-star rating. "This latest book has it all: family, friends, lovers, foes, villains, and even a murderer whose identity is shockingly revealed toward the end of the book. Biondi uses the story line to show that the relationships that seem solid are often the most fragile," said Roger Ward, who describes the action of the new book as "jaw-dropping."

"Readers are going to be shocked by the twists and turns that take place in this book and the final two chapters demonstrate why Biondi is known as the King of the Cliffhanger. Although I am not overly emotional, the book choked me up on several occasions. It is perhaps the best book in the series to date and a definite 'must read'," Ward added.

“I was totally blown away by this season,” wrote Taneesha Freidus in her five-star review. “I need Season Ten right now, because that ending had me in tears.”

“Life is a bumpy journey filled with the unexpected. BOYSTOWN Season Nine continues the journey and is filled with drama, drama, and drama,” said Rob Thompson.

Biondi has once again teamed up with designer Anna Crosswell of Cover Couture to create the latest BOYSTOWN book cover, which features five of the “BOYSTOWN boys” that fans have come to know.

“BOYSTOWN is my favorite guilty pleasure,” said cover model Jake Jensen. “I love the relationships, drama, intrigue, and twists and turns. Each book is full of sexy surprises and I can’t put them down.”

Matt Bailey also appears on the new cover. “From the moment I started reading the BOYSTOWN series, I fell in love with it. Such a captivating series that leaves you wanting more. I couldn’t put the books down. Each one ends with a killer cliffhanger leading you into the next book.”

Biondi said, “I love that fans are connecting with the characters and want to know what the future holds for them. The broad appeal of the book series is amazing. BOYSTOWN has an incredibly diverse audience.”

Cover model Kyle Goffney said of Biondi, “He’s professional, encouraging, talented, and focused, all of things which I respect and admire.”

“It’s been an absolute pleasure working with BOYSTOWN series creator Jake Biondi,” said Jensen. “I have a great amount of respect for his writing and his work.”

Bailey previewed, “There are some exciting things in store for the BOYSTOWN series. Jake is very creative and this is only the beginning.”

The BOYSTOWN book series continues to maintain an average customer rating of five stars, the highest possible rating on *Amazon.com*.

“Jake Biondi is one of the most masterful writers of fiction of our time,” said Ward of the author. “The BOYSTOWN saga is told masterfully through several subplots which include unforeseen twists and turns that will leave the reader stunned and speechless.”

BOYSTOWN series named “Best of 2017”

***Book series named “best” for second consecutive year,
maintains Amazon.com’s highest ratings***

“One of the most addictive reads you’ll ever pick up.”

“I’m grateful and flattered,” author Jake Biondi said about his BOYSTOWN book series being included in the *BookLikes.com* “Best of 2017” book list. This is the second consecutive year the series has been named *BookLikes.com*’s “best.”

With an average customer rating of five stars, the BOYSTOWN series also continues to receive the highest possible rating on *Amazon.com* as well.

“I must say that this series just gets better and better,” wrote Marco Manganiello, founder of *BookLikes.com*. “I have been glued to my Kindle all week. Jake Biondi can’t write the next book fast enough.”

The BOYSTOWN series currently contains seven books with the eighth book in the series scheduled to be released on February 14, 2018. “The eighth book is a very special one, so a Valentine’s Day release date seemed appropriate,” Biondi told fans of his BOYSTOWN book series. “Because of the success of the series, fans from all over the world have been asking me when book eight will be available. The ending to *BOYSTOWN Season Seven* foreshadowed the deaths of two main characters, including a member of the Mancini family, and readers tell me they are longing to know who died.”

“Being included in Marco Manganiello’s list of the best books of 2017 is tremendous honor and a great way to end a year that has been very good for BOYSTOWN,” Biondi added.

“Jake Biondi is one of the most masterful writers of fiction of our time,” said Roger Ward in his review of the BOYSTOWN series. “The saga is told masterfully through several subplots which include unforeseen twists and turns that will leave the reader stunned and speechless.”

BOYSTOWN recently introduced the series' first transgender character. Musician and YouTube sensation Skylar Kergil, who appears in *BOYSTOWN Season Six*, said, "Jake Biondi's inclusion of a trans masculine character, Ethan, puts this book on a ground-breaking level. The inclusion of alternative gender identities and diverse bodies allows us, the readers, to also explore our own thoughts about these sweeping, universal issues we all experience: love, identity, and passion."

"I regularly receive notes from fans who connect with the characters and want to know what the future holds for them. The broad appeal of the BOYSTOWN series is incredible. BOYSTOWN has a really diverse audience and an equally diverse cast of characters," Biondi said.

"Jake Biondi has a way of writing a story that sucks you in from the first word on the page to the last word on the last one. I would put his writing abilities against any screenwriter of any soap opera that's on TV today and still call him the best. His characters are extremely engaging, his storylines are superb, and the cliffhangers will leave you breathless and waiting in eager anticipation to see what happens next. This series is not just a good read, it's an amazing read and one that I would highly recommend," wrote *Love Bytes Reviews*.

Engraved: All Things Writing wrote, "Make no mistake: Jake Biondi's BOYSTOWN series is one of the most addictive reads you'll ever pick up."

"BOYSTOWN is a must-read series filled with twists and turns that everyone will love," said BOYSTOWN model Cory Zwierzynski, who will be featured on the cover of *BOYSTOWN Season Eight*. "I was so grateful when Jake Biondi asked me to join the BOYSTOWN team. I have watched the BOYSTOWN audience grow with the release of each installment of the series." About Biondi, Zwierzynski said, "Working with Jake has been awesome. Over the past few years, we have gotten to know each other well and have become good friends. He knows how to tell a great story and keep the audience engaged from the very first page of each book. I am grateful to be one of the faces of BOYSTOWN."

The BOYSTOWN series has a fascinating history. It began as an online story released in installments, each ending with a cliffhanger that left readers

wondering what would happen to their favorite characters. Enthusiastic BOYSTOWN fans from all over the world petitioned Biondi to release the installments more quickly; they simply couldn't wait to find out what happened next. Overwhelmed by and grateful for the fans' responses to the series, Biondi began to write more quickly and also began to publish the series in book format.

The BOYSTOWN series is available at bookstores across the country as well as online at *Amazon.com*, *bn.com*, Google Play, and iTunes. The series is available in paperback, audio book, and all e-book formats. Readers may order autographed paperback copies of the books directly from *BoystownTheSeries.com*.
